JOB DESCRIPTION

Main Areas of Responsibility

Provide personal care and support with reference to individual care plans

- To provide care through the night, checking residents at regular intervals according to their care plan.
- To respond promptly to calls for assistance while respecting, at all times, the privacy, dignity and choice of the residents.
- To engage in conversations to help maintain residents' sense of identity; upholding dignity at all times.

- To assist in the delivery of therapeutic care treatments under the supervision of qualified staff.
- To care for residents during illness and assist in end of life care under the supervision of qualified staff.
- To support residents to meet their spiritual and cultural needs.

Teamwork and Communication

- Make daily entries in the care plans (computer based) and report observations about the health and well-being of individual residents to the appropriate senior person.
- Contribute to the care team's knowledge and awareness of the changing needs of residents at the daily handovers and attend house meetings.
- Consult and follow written care and support plan procedures.

This does not represent an exhaustive list of responsibilities and tasks but indicates the main responsibilities required from employees in the role. Simeon reserves the right to require employees to perform other duties from time to time.

Training
